How we help you **get AI ready** *(and stay ready)*

BUILD AI FLUENCY

Build practical AI fluency to help your people understand and use AI tools confidently and effectively. Choose the learning format that fits your world – online, virtual, classroom, or blended.

DEVELOP SPECIALIST IT CAPABILITY

Equip your teams with globally recognised technical skills for the high-demand areas that keep your business competitive and secure:

- Cloud
- Cybersecurity
- Data
- Software Development

DEVELOP ENTRY-LEVEL IT TALENT

Learnerships NQF Level 4-6 and QCTO Skills Programmes NQF Level 2-5

We are a fully accredited QCTO Skills Development Provider (SDP). We proudly hold accreditation for 9 qualifications that can be delivered as Learnerships, 4 Skills Programmes, and are also an accredited Assessment Centre.

We're trusted to help organisations run Learnerships and Skills Programmes end to end – from recruitment and onboarding to training, workplace integration, and final EISA examinations.

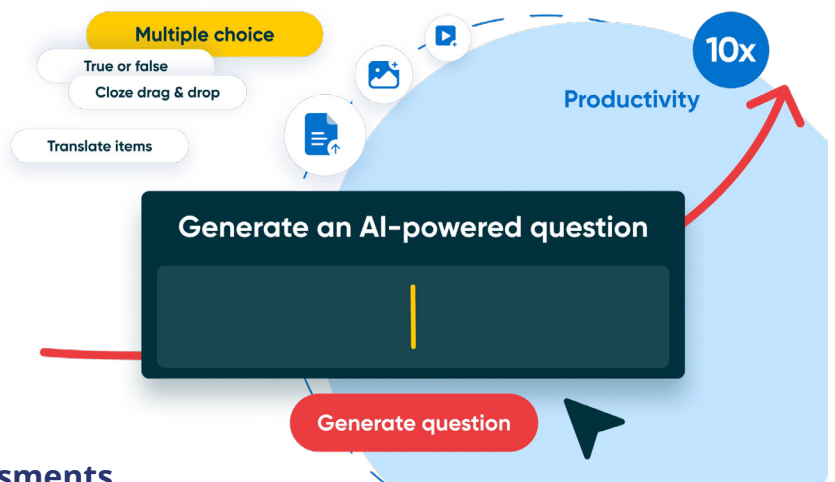

Reliable assessments at the speed of AI

Use AI to create, mark and analyse assessments, ensuring reliable results and accurate compliance records. Get rich analytics that reveal workforce capability, helping to close the visibility gap between learning and performance.

Trusted worldwide for certifications, proctored exams and enterprise assessments.

Gain the **most recognised** IT Certifications in the industry

Impactful is an **Official Authorised Training Partner** for industry leaders like AWS, Oracle, Microsoft, and more, ensuring your teams receive trusted, world-class training and the official content developed by the technology experts themselves.

We are an **elite Microsoft Training Services Partner with a badge in Azure Infrastructure**. This recognition showcases our proven expertise and capability to deliver high-quality, cloud-focused training solutions across the Microsoft ecosystem.

We are authorised to provide high-quality training from Oracle University. Through us, your teams can access the latest training on Oracle products, and the resources needed to earn an official Oracle Certification.

We are a trusted CompTIA Partner, offering the full suite of CompTIA certifications spanning data, cybersecurity, infrastructure and networking. Our partnership reflects a strong commitment to building workforce-ready digital skills.

We are an AWS Training Partner, trusted by AWS to offer, deliver and resell official AWS Training, using the official AWS curriculum and expert-led training.

Make your next certification one of the IT industry's most recognised with PeopleCert's globally respected programmes in ITIL, PRINCE2® and COBIT® 5.

With Impactful, you can close critical skills gaps and build the Tech Talent workforce readiness your business needs

We **make an impact** when you...

- Want to build confidence and fluency with AI across your organisation
- Need to build IT capability quickly, without compromising quality
- Aim to achieve the most recognised IT certifications in the industry
- Want measurable skills development and B-BBEE value from your IT training investment
- Need a partner to handle your Learnerships end to end – from recruitment and onboarding to training, workplace integration, and final EISA examinations

You want a workforce that leads digital change,
and that's **ready** for it.

That **READINESS** starts with Impactful.
